Forwards for favorable consideration & the Chief Commissioner's letter from the Deputy Commissioner Hutchinson bringing to notice the difficulty which he will experience in having to perform the duties of Superintendent of the Tulubagu Jail in addition to his other duties as

Submitted.

The J.C. approves of the suggestion to make an Asst Comm. the Jail Supdt. There is no middle way of doing it that I can see. The Act specially provides for a Deputy Medl Offr in certain cases but not for a Deputy Supdt. In rules to be framed under S 54. the relations of D.C. & Supdt in the diffte jails cld be laid down

The J.C. shld be called on to think & propose rules necessary under SS 14. 31 & 54.

In reply I am directed to state that as Mr Gordon understands you to concur with the D.C. Chitty in recommending that the Asst Comm. be appd Supdt of the jail and as the same argument generally will apply to the cases of the Kolar Tumkur and Kadur dist: jails the best course will in Mr Gordon's opinion be to issue a Notfn superseding so much of Notfn No. . . as applies to the above jails and appg the Asst Comm or Sub Jr judge as the case may be — Ex officio Supdt.

At the same time Mr Gordon desires that the Supdts to be thus appd will act as the Offr in charge of the jail has hitherto acted entirely under the subordination of the Dy Comr. and for this purpose it will be advisable to issue, simultaneously with the Notfn above contemplated, rules framed under S 54. of the Prisons Act.

It seems at the same time imperative that rules should be issued under s 14, and in some cases rules under s 31 should also be framed.

Each set of rules will differ according to the diffl class of jail to wh it is to be applied & Govt will therefore be glad to receive the suggestions of those of the Supdts of jails & D Cs of Dists

The Deputy Commissioner
Chittaldroog District,

Sir,

With reference to the Chief Commissioner's Notification No 170 of the 24th September 1879, appointing Deputy Commissioners (under Section 8 of the prison act XXVI of 1870) to be Superintendents of Jail in this and some other Districts in the Province, I have the honor to request your instructions as to whether I am to consider that my connection with the Jail has ceased from the date of the Notification. All my acts as a Jail Officer as at present will be illegal. Pending orders in the matter, I shall, if You permit, simply confine my supervision to arrangements for Cleanliness and feeding in the Jail. Other matters will be submitted to you for disposal.

I have the honor &c

Sir,

Adverting to the Chief Commissioner's Notification No 170 dated the 24th Instant appointing the Deputy Commissioner for the time being, Superintendent of the Jail here, I have the honor to solicit the favor of your informing me whether I may not henceforward avail myself of the services of Mr Muddukrishna Naidu the Acting Subordinate Judge of this District, as "Officer in charge of the Jail."

2. Under Section 13 of the Prisons Act the Superintendent has to "manage the prison in all matters relating to discipline, labour, expenditure, punishment and control." He has under-

Section

9

Section 48 to enquire into and deal with prison offences and under Section 50 he has to be present when corporal punishment is inflicted in the Jail. These and other duties imposed upon him by the Act require in my opinion, the constant presence of the Superintendent in the Station where the Jail is situated, unless he can delegate them to any other Officer.

3. I beg to submit that in my Revenue capacity I have often to go out to inspect tanks, lands, villages etc, and sometimes I have to be absent in the Talukas for weeks together to settle the Jamabandi. The more a Deputy Commissioner moves about in his District the better is his management of the District. As the Officer chiefly responsible for the administration of Police I have to go out all of a sudden to institute enquiries in matters of great importance and as the Chief Magistrate of the District I have to go out periodically to inspect subordinate Courts. If I am required to remain always at the Head quarters to manage the Jail, it will, I am-

am afraid, be to the great detriment
of other important duties.

4. I request therefore that you will
be so good as to take these circumstances
into your consideration and move the
Chief Commissioner to pass such orders
as will be best conducive to the proper
management of the Jail, ~~during~~ in the
absence of the Deputy Commissioner from
Head Quarters which is often unavoidable.
In my opinion the Officer in charge
of the District Treasury may well be
appointed to the post of Superintendent
of Jail.

5. In conclusion I beg to enclose
copy of a letter No 111 dated the 30th
September 1879 received from the
Officer in charge of the Jail for your
consideration.

I have the honor to be

Your most Obedient Servant.

Sir,

With reference to the Chief Commrs Notification No. 170 dated 24th September 1879. published at page 274 of the Mysore Gazette of the 27th idem appointing the Deputy Commissioners of this and other Districts as Superintendents of Jails each within his respective District. I have the honor to point out that as Deputy Commissioner of the District

District, I will be obliged to be frequently absent from Head Quarters and sometimes as in case of Jamabundy, for two Months at a time. Under these circumstances it is not possible for me to carry out the provisions of the act in its integrity, and there is no section under which I can delegate my duties to an Asistant. As an instance with reference to Sections 52 and 53 alone the absence of the Superintendent from Head Quarters will impose much inconvenience, and be the occasion for many illegal acts.

2. As District Magistrate and Deputy Commissioner, Section 13 last clause of the Prisons act empowers me to supervise and to interfere in jail matters, but this power is different from being the Superintendent in charge.

3. I have the honor therefore to propose that

that the Subordinate Judge be appointed Superintendent of the Jail as he is a fixture at Head Quarters, and if his appointment be not approved of I would recommend that the Medical Officer might also be placed in charge as Superintendent with a small addition to his income -

I have &c

Sir,

With reference to your No. 5359/1046 of the 15th Ultimo, I have the honor to state that a Jail Manual for Mysore, is, in accordance with the Chief Commissioner's instructions contained in your No. 1651/20 dated 1st June 1878, in course of preparation, and is indeed all but complete, and that it will I think be found to contain all that is necessary in the shape of rules required by the different Sections

of

of the Prisons Act.

2 "P". In the mean time I would recommend that an Assistant Commissioner at each of the Stations named in your letter be appointed Superintendent of the Jail. As there may be some little delay in the issue of the Manual, I hardly think it advisable to await its issue before the appointment of Assistant Commissioners as Superintendents.

3. Section 13 of the Prisons Act provides for the subordination of the Superintendent to the Magistrate of the District. and Magistrates will be informed that their responsibility for the good order of the Jail will be maintained.
